Celebrating Halloween, the OV Way

Students and staff are invited to dress according to the guidelines below:

Be Safe

- Students must keep their face visible at all times. No masks, hoods, full-face makeup or excessive makeup/gore.
- Weapons or replica weapons may never be brought to school.
- Costumes may not be such that they restrict the movement of a student, obscure the view of others, or cause a danger to themselves or others.
- Appropriate footwear must be worn at all times. No high heels or open toed shoes.

Be Responsible

- Costumes may not be revealing or sexually explicit in any way. No bathing suits, short skirts/shorts, revealing sleepwear, etc.
- Costumes must not interfere with the instructional program or other student's right to learn.
- Costumes must be "appropriate" for students at the middle school level.
- Keep excessive amounts of Halloween candy at home.

Be Respectful

- Costumes should be fun but may not be demeaning to any ethnic group, race, religion, handicapping condition, gender, or individual student/staff member.
- Students should respect themselves and the rights of others to safely enjoy the Halloween celebration, noontime activity, and related school-sponsored festivities.
- Respect the class environment and remember that while we want to have fun, we are here to learn.
